Local Expertise. National Strength.

ICS combines local relationships, market knowledge, and technical expertise with the shared resources and national reach of the Meriton alliance.

Statewide Florida Footprint

Local teams serving customers across Florida

PRESENCE IN 20+ STATES

As part of Meriton, ICS is connected to a national alliance of leading HVAC business with a presence in 20+ states, including the rental footprint. This gives our team access to shared expertise and expanded capabilities while remaining focused on the customers and markets we serve.
